Notice to Union Men of Barre and vicinity.

It has been reported to the Central Labor Union of Barre that the so-called union stores of Barre, which this body have advertised as carrying full lines of union-made goods, have in some instances either failed to refill their shelves with union-made goods or are trying to push non-union-made goods in preference to union-made. This being detrimental to the interests of organized labor, the executive committee of the C. L. U. request all union men who fail to find union-made goods in the stores where they trade, or the merchants to refuse to get these goods at their request, to report all such cases to the union label committee of that body.

NEW YORK AND VERMONT.

Unite in Making a Proposition to the Canadian Authorities.

Burlington, Nov. 16.—The long-standing dispute as to the right of sealing and net fishing in Missisquoi bay at the northern extremity of Lake Champlain will soon become the occasion of a conference between a Vermont commission and Canadian officers, and if not then disposed of, may be referred to the national government.

The commission recently appointed by Gov. Fletcher D. Proctor to meet the Canadian officials in an endeavor to stop the fishing is made up of N. W. Fisk of Isle La Motte, F. L. Fish of Vergennes, and H. G. Thomas of Stowe.
A similar commission from New York state, consisting of James Whipple, Senator W. H. Knapp and Assemblyman Mills of New York, has been in Burlington this week to talk the matter over with the Vermont commission.
It is supposed that some mutual suggestions were drawn up to submit to the Canadian authorities.

SO DECEPTIVE

Many Barre People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. Nine times out of ten it comes from the kidneys. That's why Doan's Kidney Pills cure it. Cure every kidney ill from backache to diabetes.

Here's a Barre case to prove it: John Hyman, shoemaker, formerly living at 62 Sumner St., Barre, Vt., says: "I never was much of a hand to take medicine, and so I never had much faith in any remedy until I procured a box of Doan's Kidney Pills at E. A. Brown's drug store. I was suffering at the time from a dull pain in my back and such sharp twinges that if I attempted to rise after stooping I had to put my hands to my knees and gradually regain an erect position. I could hardly believe that a medicine could make such a change in a man as Doan's Kidney Pills did in me. Two boxes cured the backache that had annoyed me so long, and I could get around without the sharp twinges in the small of my back or any discomfort at all. I hope others troubled as I was will use Doan's Kidney Pills on my recommendation, for I know they will have no cause to regret it if they do."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MET AT GROTON.

Woman's Home Missionary Society of the Vermont Conference.

The twenty-second annual meeting of the Woman's Home Missionary society of the Vermont conference was held at the Methodist Episcopal church, Groton, Wednesday and Thursday, Nov. 13 and 14, the president, Mrs. Colley of West Fairlee, presiding at all of the sessions.
The praise service was held at 7:30 Wednesday evening, following which the Rev. Mr. Eddy, pastor of the church, led in devotion. Greetings from the local auxiliary were given by Mrs. Pillsbury and responded to by Mrs. Thayer of Barre. The report of the recent annual meeting of the national board of managers, held in Boston, was given by Mrs. Colley, delegate from the Vermont conference, and was exceedingly interesting. Others present at that great convention gave inspiring echoes.
Thursday morning was largely given up to business after devotional exercises were conducted by Mrs. Farnsworth of Woodville, N. H. Reports were read by the secretaries and treasurer, followed by reports of the departments of temperance, supplies, mite boxes, young people's work, and systematic benevolence.
Forty auxiliaries were reported, including several new ones, and a membership not far from 1,000; \$1,510 raised during the year and two life members reported. The silver offering fund amounts to \$200. Supplies have been sent as heretofore to the needy in schools, industrial homes, and to the frontier.

The officers elected were: Honorary president, Mrs. A. H. Webb, Brattleboro; president, Mrs. W. E. S. Colley, Fairlee; vice-president, Mrs. M. S. Eddy, Groton; corresponding secretary, Mrs. V. A. Irish, Enosburg Falls; recording secretary, Mrs. J. O. Shortburn, Montpelier; treasurer, Miss A. B. Farnham, West Fairlee; secretary of supplies, Mrs. E. A. Barrett, Bradford; secretary of mite boxes, Mrs. Mary L. Atkins, Cabot; secretary of young people's work, Mrs. Judd Irish, Enosburg Falls; secretary of temperance work, Mrs. U. N. Turner, St. Johnsbury; secretary of literature, Mrs. E. Carson Mason, Bellows Falls; secretary of systematic benevolence, Miss Jessie Moore, Springfield.

The address of the evening was given by Mrs. Roberts, one of the national organizers, on the subject, "Some American Problems and How to Solve Them."
That the W. H. M. S. was doing a large part in the solution was proven by this able discourse. The young ladies of the church rendered beautiful music, both afternoon and evenings, and the ladies of the church served a bountiful dinner and supper in the church parlors. Miss Annie Blate of Island Pond spoke of the "Girl Problem," sounding on the need of higher ideals and uplifting influences among the girls, especially in the frontier towns of Vermont. A paper on "Mill St. Settlement" in Boston, written by Miss Edna Lockwood, was read.

Resolutions were adopted expressing gratitude to the pastor and wife and others of the church who made the stay of the visitors very pleasant. Pleading features of the convention were the display of a beautiful flag awarded to Vermont by the general society for the largest increase of Home Guards (or gilded young people) during the year, and the making of life members of the two little girls of Rev. Mr. and Mrs. Eddy.

BEECHAM'S PILLS

Increase the Good from Your Food

To obtain the best results from our efforts is or should be our constant aim—in the business life, or in the home circle—in the serious affairs which cross our path or in the moments given to relaxation and pleasure. Your stomach manufactures energy for the body from the food you eat. The condition of your blood, nerves, brain, bones, muscles and flesh depend upon the nourishment extracted from the food. When you are pale, nervous, weak or out of condition you may be sure that your stomach is not working properly. Food is passing through it without being converted into health-giving elements. You are not getting the good out of what you eat. The stomach does not need more food—it simply wants the power to get the nourishment out of the food. And the stomach can get this power from Beecham's Pills.

Beecham's Pills mingle with the contents of the stomach, and insure proper digestion and assimilation. They strengthen the entire digestive tract and increase the good from the food by assisting the stomach to make use of the blood-making and health-making properties in the food. Not only do Beecham's Pills do this, but they stimulate the liver to healthy action and aid the kidneys in the functions of purification and elimination. Beecham's Pills will make you feel fit and well and able to enjoy life.

For weak stomach, mal-assimilation, dyspepsia, indigestion, weakness, poor blood, and all conditions caused by lack of nourishment, there is no other remedy so prompt, safe and reliable as Beecham's Pills.
